

THE SUITE

BY MYLOS

Timeless Luxury on the Caldera

OPENING 2026

LOCATION

Firostefani

literally means the
“crown of Fira”

It's a compound word made from “Fira” (Santorini's capital) and “stefani” (which translates to “crown” in Greek). This name perfectly reflects the village's elevated position, offering striking views of the dormant volcano and famous sunset.

DEAR GUEST

Set along the dramatic cliffs of the Firostefani Caldera, with breathtaking views of the volcano, the surrounding islands, and the endless Aegean Sea, “The Suite by MYLOS” combines timeless luxury with modern minimalist design.

Inspired by a philosophy of wellness and natural living, the experience flows from tranquil in-room massage treatments and a refined spa ambience to a Mediterranean & Asian fusion dining concept, where every dish is freshly prepared with organic ingredients.

Partially carved into the cliffs themselves, the suites embody both authenticity and sophistication. The interiors merge Cycladic charm with modern contemporary elegance, while private terraces, outdoor hot tubs, and sweeping panoramas create a sanctuary of **relaxation**.

Perfectly positioned in Firostefani, “The Suite by MYLOS” offers guests the best of Santorini—just a short stroll from the buzz of Fira, yet elevated enough to provide peace, seclusion, and an unforgettable view of the Caldera sunsets.

Our limited available ultra luxury suites are inspired by the elegance of Hermès Maison, combining refined materials and timeless design and feature authentic Marriott-branded “beds & beddings” for an incredible sleep experience, so as the complementary “Toiletries & Bathroom Amenities” supplied by Marriott collections. We are independently owned and not affiliated with JW Marriott International.

"The Suite by MYLOS" suites are equipped with Attune Room fragrance systems, the fragrant aroma of black currant, citrus, apple, jasmine, white cedar and sage fill your space and **boost your mood!**

Each suite at "The Suite by MYLOS" is equipped with the latest audio-visual technology by Bang & Olufsen, the world-renowned Danish brand celebrated for its uncompromising sound and design excellence.
